

Welcome to Aluminum Supply Company

Established in 1948, Aluminum Supply Company is committed to providing only the highest quality aluminum supplies to a wide variety of customers. Our experienced and friendly staff is knowledgeable in all areas of our inventory and always takes the time to pay attention to all of our customers' questions and concerns.

Our two divisions maintain a large inventory of extrusions and products commonly used in the commercial construction industry. Our sister company, Marshall Sales, Inc., distributes an extensive variety of fasteners.

Warehouse Division –

Our Warehouse Division maintains a large inventory of aluminum extrusions which are listed in this catalog. ASCO's most common shapes include square, round and rectangular tubes, angles, channels, solid rod and bar stock. Many of the shapes are available in anodized or mill finish. Other sizes and/or alloys are available upon request.

Sheet Metal Fabrication Division –

The Sheet Metal Fabrication Division specializes in products commonly used in the commercial construction industry. These products include Factory Mutual <FM> approved fascia and coping systems, gutters, downspouts, and other metal roofing accessories, panel systems, sills and trim pieces.

ASCO also offers custom fabrication, aluminum welding, CAD drawings and much more.

Miscellaneous Items –

Aluminum Supply stocks a large selection of sheet products and termination bars.

Marshall Sales, Inc. –

Marshall Sales, established in 1956, is a distributor of blind fasteners. For product, tool, or tool repair information, phone the sales department at 313/491.1700 or visit our website at www.marshallsales.com.

Quotations and Orders –

All quotations are subject to change and subject to continued availability of material cited in the quotation.

Telephone orders are accepted at the risk of the buyer, and shipments made before receipt of confirmation are for the special convenience of the buyer.

All orders must be placed (via phone or fax) at least one hour prior to pickup, M–F from 8 AM – 4 PM.

Call 313/491-5040 or fax to 313/491-6380.

We will, at a buyer's request, provide our best estimate of the anticipated time or delivery of any order, but we will have no liability for any non-timely delivery.

Technical Advice –

None of our agents, employees or representatives have any authority to bind us to any affirmation, representation or warranty other than those stated herein or on our delivery receipts or invoice form. In particular, any technical advice we furnish with respect to the use of materials is given without charge, and we assume no obligation or liability for the advice given or the results obtained, all such advice being given and accepted at buyer risk.
